## Fort Shafter Notes

[Special Star-Bulletin Correspondence]

FORT SHAFTER, May 13.—Captain Jesse M. Cullison of the 2nd Infantry returned to duty with the regiment by the transport that arrived at Honolulu this morning. Captain Cullison has been absent for nearly a year as a student officer at the service school at Fort Leavenworth and returns to Shafter by reason of war department orders having been issued relieving all officers at the school in order that they might return to their respective organizations antipatory of a possible call on the regiment for active service. While it was known that such orders had been issued by the department it was not known that Captain Cullison was on this transport until a radio message was received by the adjutant yesterday to that effect.

An important change in the personnel of the regimental staff was made by orders that issued yesterday from the headquarters of the 2nd Infantry whereby Captain Otto B. Rosenbaum was appointed regimental quartermaster to fill the vacancy in that position on the staff that has existed since Captain B. H. Watkins was relieved by expiration of tour over a year ago. Captain Rosenbaum has had extended experience in the position to which he has been appointed, having served a number of years as quartermaster of the 7th Infantry in which the grade of 1st lieutenant. He has also had experience in other staff work as he was the regimental adjutant of the 26th Infantry as a captain. The 2nd Infantry is much pleased at the thought of having an officer of such attainments at the head of supply matters and particularly at a time that bears possibilities as to field service in campaign.

In addition to taking over the duties of regimental quartermaster, Captain Rosenbaum has been designated as post quartermaster by post orders of the same date as those of the regiment appointing him on the regimental staff and will relieve Lieut. Frederick A. Barker of the post duties. Lieutenant Barker has filled the post position most acceptably during his tour and will under his appointment as a battalion quartermaster and commissary continue in the office of the quartermaster as Captain Rosenbaum's assistant.

Today's concert by the band of the 2nd Infantry will comprise the following selections and will commence at 6:45 p. m.:  
March—The Warrior..... Losey  
Overture—Hungarian Comedy..... Keler-Bela  
Selection—The Belle of New York..... Kerker  
Waltz—Just As We Used To Do..... Robinson  
Finale—The Horse Trot..... Davis  
Albert Jacobson, Chief Musician.

A report has been received at the post from reliable sources that Lieut. J. W. McAndrews and Lieut. Ira Fredendall both of the 2nd Infantry who have been on detached service as student officers at the signal school at Fort Leavenworth, have been relieved from that duty and ordered to join the regiment at once and may arrive at an early date and by a commercial boat instead of awaiting the next transport.

Captain Joseph C. Kay has been transferred to Company I of the 2nd Infantry vice Captain Rosenbaum, appointed regimental quartermaster, and Captain B. H. Watkins who has been on the unassigned list for some months while on special duty in charge of construction work, has been assigned to Company M, vice Kay, transferred. This move brings Captain Watkins back to his old command.

## WILSON APPROVES O'SHAUGHNESSY MEXICAN POLICY

WASHINGTON, May 13.—(Associated Press by Federal Wireless)—Nelson O'Shaughnessy, former American charge d'affaires in Mexico, who recently arrived here from the Mexican capital, made a call on President Wilson yesterday and expressed the opinion that any government set up in Mexico and supported by the United States will stand. O'Shaughnessy denied that Huerta was a drunkard and told the president that he did not believe that the Tampico incident was planned by Huerta to bring about trouble with the United States. During the conference President Wilson expressed his approval of O'Shaughnessy of the latter's actions throughout the entire Mexican embroglio while he was in charge of the nation's diplomatic affairs in the City of Mexico. O'Shaughnessy denies the report that he is to be a candidate for Congress.

## CHILDREN HATE OIL, CALOMEL AND PILLS

"California Syrup of Figs" best for  
tender stomach, liver, bowels  
—tastes delicious.  
Look back at your childhood days. Remember the "doses" mother insisted—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach; and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.—advertisement.

England claims to have the most wonderful giant the world has ever known. Three months ago he was at Bath, and then measured feet 9 1/2 inches. Since then he has been touring the continent, and the last report of him is that when measured some days ago when he was showing himself in Berlin he went to a height of 11 feet 11 inches. This is somewhat taller than Goliath of Gath. This giant, when he puts on a uniform and surmounts it with a bushy towers to a height of 10 feet.—Indianapolis News.
